Notebook Riser

Product Number **60075**

This notebook riser has been ergonomically designed to improve the viewing angle and allows increased airflow underneath for better heat dissipation. The choice of two height settings ensures your notebook is set at the most comfortable level for you whilst the non-slip base ensures your computer is held securely in place.

Features and Benefits

- Ergonomically designed to improve typing and view angle
- Increases air flow under your laptop allowing better heat dissipation
- Two height settings, you choose the most comfortable level
- Non-slip base ensures notebook is held securely in place
- Accomodates all sizes of notebook
